

ALMOST SUNRISE

HOPE IS ON THE HORIZON

The poster features two large, stylized portraits of men with beards. The man on the left has long hair and a full beard, looking slightly to the right. The man on the right wears a knit beanie and has a shorter beard, looking directly forward. They are set against a background of a mountain range at sunset or sunrise, with a forest of evergreen trees in the foreground. At the bottom of the poster, a small figure of a person is seen walking on a path through the forest.
