| 1000 | Optional Tour: DE Air National Guard Capability Demonstrations  |  |
|      | The 166 <sup>th</sup> Airlift Wing provides tactical airlift and airdrop of troops, cargo and passengers using C-130 aircraft, plus aeromedical evacuation, civil engineer and network warfare functions. The Wing is home to 1,100 Airmen who serve our state and nation. The Capabilities Tour will include a walk-through of a C-130 aircraft, simulator and equipment demonstration with on base firefighters, security forces and EOD personnel. |  |
