Create, strengthen or restore connection and healthy intimacy in your relationship. Couples will have an opportunity to practice connection, communication, and understanding, as well as gain new insight into relationship dynamics, through supportive group facilitation.

- Small, friendly group setting
- Topics include:

- Turning barriers to intimacy into points of connection
- Turning towards your partner, rather than away, in times of stress

All participants are required to complete a brief Information Form and will be screened by facilitators in order to ensure that the workshop is an appropriate fit.

For more information and to register contact Hayley McMullen at 610.743.6487 or hcmullen@caron.org | or visit www.Caron.org/Veterans.

Funded through the generous support of The Arlene and Michael Rosen Foundation, this program is offered at no cost for qualifying couples (a \$2,200 value). We thank them for their generosity.

“There are many programs for our veterans... we have attended several over the years. In my opinion, none are better than Caron’s *Veterans Healing Through Connection*. I was never more equipped, inspired and empowered! I was left with hope.”
